## Section B. (50 Marks)

51. **Read the passage below carefully and then answer, in full sentences, the questions that follow.**

Last week on Saturday, Tinga Primary School celebrated its 40th anniversary. This school is located in Kabohe village, in Kingo District. Among the **dignitaries** who attended this function was the woman member of parliament of this district. Below is the speech which she gave.

Ladies and gentlemen, as you all know my name is Dorothy Baguma, Woman Member of Parliament of this district. I am deeply honoured for being invited as guest of honour at this function.

I am extremely proud of being an old girl of this school. This school has made me what I am today. I was a pupil in this school from Primary One to Primary Seven. I was among the first three candidates to pass the Primary Leaving Examination in Division One. I am very happy to note that since then, this school has continued to perform very well in these examinations. On behalf of all the old girls and boys of this school, I would like to thank the head teachers and the staff for being devoted to their work.

Our school has not only excelled in academic studies but also in co-curricular activities. This school has won many prizes in debates, music, dance and drama and in different games and sports. In the last District Music, Dance and Drama competitions, our school won the first prize. Thank you very much for raising our flag high.

Lastly, I would like to take this **opportunity** to thank you all for electing me your Woman member of Parliament in the 2021 elections. I assure you that you made the right choice. I promise you that I will use my position to help our school develop more and more. I will start by contributing fifty million shillings to construct the school library. Once again, thank you very much and may God bless you all.

Through clouds they roar,
During day and night time,
Teacher says pilots sit in cockpits.
Controlling them without steering wheel!

**Flying Machines! Flying Machines!**
Over our school they fly daily,
Making noise that **frighten** us.
We rush outside to watch them,
And waving to passengers who care not!

**Flying Machines! Flying Machines!**
Very fast they move in the sky,
Taking passengers to places far away,
Very **rare** do they cause accidents,
Safest means of transport they are!
